

# Is Your Home a **Mosquito Paradise?**

Mosquitoes live in standing water sources around the home. Does yours have any of these popular mosquito breeding grounds?

**Pet Water Bowls**

**Trash Cans and Lids**

**Tires and Tire Swings**

**Plant Pots and Saucers**

**Bird Baths**

**Inflatable Pools**

Empty standing water sources every day in order to get rid of mosquito breeding grounds.

**FIGHT THE BITE – DON'T BE A MOSQUITO'S DINNER!**
